1. According to source, Yugoslav Communists in Argentina are planning to send a large quantity of documents to Belgrade by means of the Yugoslavs who are soon to be repatriated on the SS Partizanka.
2. A list is being prepared of Communist repatriates who could be trusted to transmit these documents. It is believed that the material will be distributed to a large number of persons, so that if the police should seize any one of them, the material carried by the rest will not be jeopardized.
